### How Your Donation Is Used :

Your support of *Southern Ohio Crime Stoppers, Inc.* keeps the program operational. All money we raise goes towards:

- **Ensuring there are sufficient funds to reward substantiated tips.**
- **Paying for necessary support services such as the anonymous tip line and website tip support.**
- **Creating marketing materials to assist fundraising efforts, generate greater awareness of the programs and encourage citizens involvement.**
- **Involving our youth in crime prevention through our Student Crime Stoppers Program.**
- **Setting up classes and workshops to teach people how to better protect themselves and their families from crime.**

### What Your Support Accomplishes :

*Southern Ohio Crime Stoppers, Inc.* is a non-profit organization, so no additional tax dollars are required to provide this service to law enforcement. Consider the long-term benefits that occur when:

- **Honest people replace "informants" as the primary source of information needed to solve cases.**
- **Crucial information is willingly provided rather than tracked down or received through interrogation.**
- **Illegal activities are made less attractive because citizens are not afraid to report crimes.**

**The continued use of Crime Stoppers programs can change the way law enforcement handle investigations by giving detectives access to information held by citizens who without the protection of anonymity that we can offer them, they may divulge what they know about criminal activities in our area.**
